

To all prospective Applicants for HPEMBA, Inc. Scholarships:
It is the desire of the Scholarship Committee that you continue your education at the school of your choice. The HPEMBA, INC., is once again offering scholarships to those who meet the criteria, eg., to have a GPA of at least 2.5 or better, a letter detailing the following; acceptance to the school of choice, your activity in church, the association and your involvement in extracurricular activities.

To enhance the election process, we are requiring each applicant to have in place your letter of acceptance and application by June 30, 2008, if possible.

Please forward this letter to:

**Rev. Ronnie L. McLaughlin
3200 Robinhood Drive
Greensboro, NC 27408**

This year we are requiring those selected to meet for an interview with the committee to ascertain their particular needs. We will award the scholarship on the night of the Youth Trac Extravaganza. We ask that each recipient would have parent or guardian present at the ceremony. Your cooperation in this matter is of great importance.

Yours truly,,

Rev. Ronnie L. McLaughlin
